

The Dashboard

The screenshot shows the UserZoom GO Dashboard. At the top, the header includes the logo 'UserZoom GO Formerly Validately', the title 'Dashboard', and a user profile dropdown showing '(Researcher) Your name'. Below the header, there's a navigation bar with 'Demo account 1', a '+ Create new workspace' button, and a 'Manage workspace' button. The main content area is titled 'Workspace Dashboard' and features a grid of study cards. A callout box points to the 'Demo account 1' dropdown, another to the 'Manage workspace' button, and a third to the user profile dropdown. A fourth callout points to the 'Move studies' icon in the bottom left of the first study card. A fifth callout points to the 'Manage workspace' button with a detailed explanation of its function.
