

Desktop template (Moderated with scheduling)

Hello *[Participant name]*,

Thank you for your interest in taking part in this research study!

This study needs to be taken on a **desktop or laptop computer using Google Chrome or Firefox.**

With screener:

Use this link *[Insert Link]* to access our screener to determine if you are in the target audience for our study. If you qualify, you can schedule your session.

Without screener:

Use this link *[Insert Link]* to schedule your session.

When you schedule your session, you will receive an email with a link to confirm. Your spot is reserved for the next 10 minutes for you to confirm. You have to complete a quick tech check. After completing the tech check, you will automatically receive a **confirmation email** with a link to join the session on the chosen date and time.

Please join at least 5 to 10 minutes before the session start time so you can complete another system check.

Before participating in this desktop study:

- Take a look at the [Participant Pre-Study Checklist](#).
- Make sure you have both a working microphone and webcam.
- **FOR STRUCTURED STUDIES:** Download a small browser plug-in that can be uninstalled once our session is over. Please go ahead and [download the plug-in here](#). If you have any problems, please let me know before the session.

To join the session, please click on the session link from the confirmation email. If you have any questions, have trouble joining the session, or would like to reschedule, please reply to this email.

Best regards and see you soon!
